GALFAR ENGINEERING & CONTRACTING SAOG

01 November 2021

TO WHOM IT MAY CONCERN

Name of the contractor	:	**Al Manar International**
Project	:	**Construction of Fishery Port (Marine and Road related) at Duqm**
Duration	:	**1 December 2019 to March 2021**

This is certifying that M/s Al Manar International is a sub-contractor for the above-mentioned project to carry out the installation of concrete Quay wall blocks at -6 level to -10.00and approximate length 1.2 KM including laying and levelling of the foundation stone and bedding layer.

Al Manar international completed the entire quay wall work and his diving team is well experienced and professional and well organised to running the all quay wall work activities with diligence

We have no hesitation in recommending Al Manar co to a future prospective employer for major quay wall work.

Best Regards

For **Galfar Engineering & Contracting SAOG**
